

Dear Parents,

In Celebration of the Word this week, we focused on the Gospel value of integrity. We heard the parable of the dishonest manager, who abused the freedom he was given and, after showing dishonesty in small matters, went on to make even bigger mistakes! Jesus helps us to understand that being honest and truthful in small matters is important because it builds us up to be honest and truthful in more important matters.

6I taught us all about what integrity means to them in this week's beautiful class-led Celebration of the Word. The children shared examples of their spiritual journaling from this week's theme, reflecting on the actions of the dishonest manager and the need for integrity in all the little works we do.

You can read more about our week in school on the [Headteacher's Blog](#).

Wishing you a peaceful weekend. God bless,
Mr Collins
