Unit 2: Gifts & Talents, Girls Bodies, Boys Bodies, Spots & Sleep, Body Image, Feelings & Emotional Changes and Seeing Stuff Online

Spelling

A blend of tricky words from the Y5/6 statutory list with systematic spelling pattern teaching. High-value vocabulary is secured through a clear weekly sequence, while also revisiting and applying key spelling rules to strengthen long-term accuracy.

Science

Living Things:

Classifying living things by exploring how vertebrates, invertebrates, plants and micro-organisms are grouped according to shared characteristics.

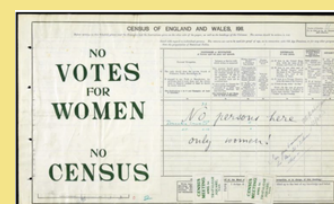

Energy: Light & Reflection

Examining how light behaves by investigating reflection, shadows and how light travels in straight lines.

History

What can the census tell us about local areas?

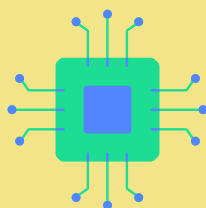

Examining how census records can help historians understand the past by making inferences about people's lives in different time periods.

Computing

Bletchley Park and the history of computers

Exploring code-breaking at Bletchley Park, historical figures in computing, the evolution of computers, designing a computer of the future and creating an audio advert.

E-safety

PE

Hockey
Netball
Tag Rugby

Art

Drawing: Expressing ideas

Exploring how drawing can be used to express ideas and messages, inspired by a range of street art examples and environmental themes.

Geography

Why does population change?

Examining global population patterns by investigating why some places are more densely populated than others.

DT

Digital world: Navigating the world

Programming a navigation tool to produce a multifunctional device for trekkers.

French

French sport and the Olympics

Using different forms of verbs to do or play sports and expressing preferences. Revisiting country names and exploring the verb 'aller' - to go.

Music

Four-chord pop: Playing in a band

Exploring the dynamic world of pop music, children discover the art of performing in a band.
